

C.V

Name: Dr. Omar Mohammed Naser AlAshari

work address : Collage of Administration and Economic /Baghdad University

Official E-mail: omar_ashari@uobaghdad.edu.iq

General Specialization and Research Path: Statistics/Operation Research

Academic Title: Certificate: Teacher

Thesis Title: Use Data Envelopment Analysis to Measure the Efficiency of Educational Institutes Case Study of Baghdad University 2010-2012.

Number of published papers: 12

Number of students supervised:

Diploma:

Master: 6

PhD:

Courses attended: 15

Courses he gave: 10

Workshops he has prepared or participated in: 10

Skill:

1. Analyze, Follow up, comparing Educational Institution By Quantifying There Efficiency Using Mathematical Models.

2. Follow up Graduates And develop their performance and Help them to Engage with Labor Market.
3. Office 2013
4. Qsb software (Quantity System For Business).
5. Spss software .
6. DEA .P V.2.1 software.
7. MS Project software for project Managements.
8. Primavera software for project Managements.
9. Lingo software for operation research models.
- 10.Lindo software for operation research models.
- 11.Tora software for operation research models.
- 12.Statgraph software
- 13.Statistica software
- 14.Arc Gis software
- 15.Build And follow up A strategic plans

1. Analyze, follow up and follow up educational institutions by quantifying their efficiency using mathematical models
