C.V

Name: Asst.Prof.Dr. Marwan Abdul Hameed Ashour

work address   : Statistics department-College of Administration & Economics-University of Baghdad

Official E-mail: dr_marwan@uobaghdad.edu.iq

General Specialization and Research Path: Operations research, forecasting, artificial neural networks, fuzzy linear programming, time series

Academic Title: Assistant Professor

Certificate : P.H.D

Thesis Title: The use of improved artificial neural networks and Box-Jenkins models in the analysis and prediction of time series

Number of published papers:30

Number of students supervised:9

Diploma:

Master:9

PhD:

Courses attended:6

Courses he gave:20

Workshops he has prepared or participated in:10

Skill: University Teaching - Training - Scientific Research - Management
