

C.V

Name: Dr.Entsar Arebe Facam Al-doori

work address : College Of Administration & Economics Baghdad University

Official E-mail: entsar_arebe@coadec.uobaghdad.edu.iq

General Specialization and Research Path: statistic / statistic application/
mathematical statistic / Reliability And Analysis of survival function

Academic Title: Assistant Prof

Certificate : Phd in statistic

Thesis Title: **Using Simulation technique to develop robust estimation methods for Probit model to bioassay experiment**

Number of published papers: 40

Number of students supervised:15

Diploma: 2

Master:10

PhD:3

Courses attended:3

Courses he gave:10

Workshops he has prepared or participated in: Analysis of data , using computer
,Building models

Skill:
