

C.V

Name: Dr. Bushra Khireibut Jassim

work address : Computer Center, Collage of Economic and Administration, Baghdad

University

Official E-mail: d.bushra_alsaidi@coadec.uobaghdad.edu.iq

General Specialization and Research Path: Artificial Intelligence

Academic Title: lecturer

Certificate : Ph.D.

Thesis Title: A proposed Genetic Algorithm for Clustering Web Search Engine

results

Number of published papers: 8

Number of students supervised: /

Diploma:

Master:

PhD:

Courses attended: Google Scholar, Google Classroom, Research Gate

Courses he gave: Artificial Intelligence, Window ,Ms Word , Ms Excel , Ms

Access

Workshops he has prepared or participated in:

Data Security

Internet Risk

Preparing Students for the Labor Market

Neural network

Skill:

1. Analyze And Build Databases
2. Data Analytics And Data Mining
3. Programming in Html, Java Script ,C
4. Image Processing
5. Matlab
